

# ST. MARTIN'S PREPARATORY SCHOOL

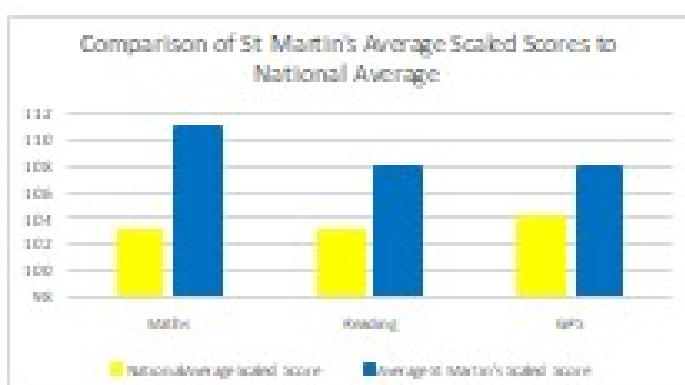

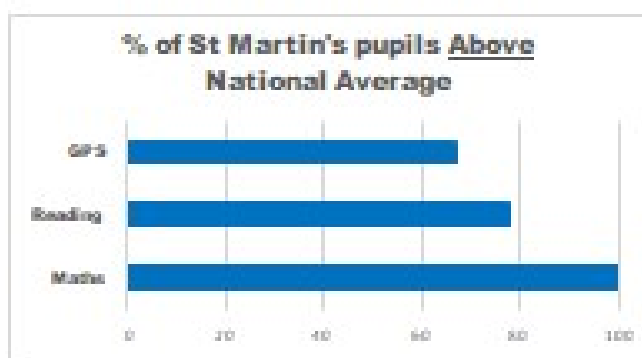

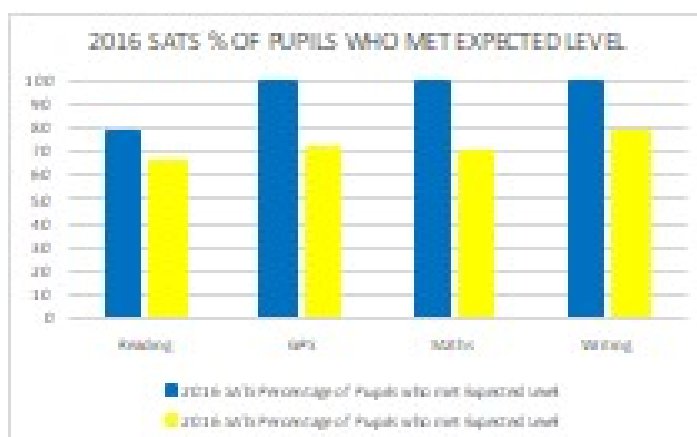

63 Bargate • Grimsby • North East Lincolnshire • DN34 5AA

## Academic Performance

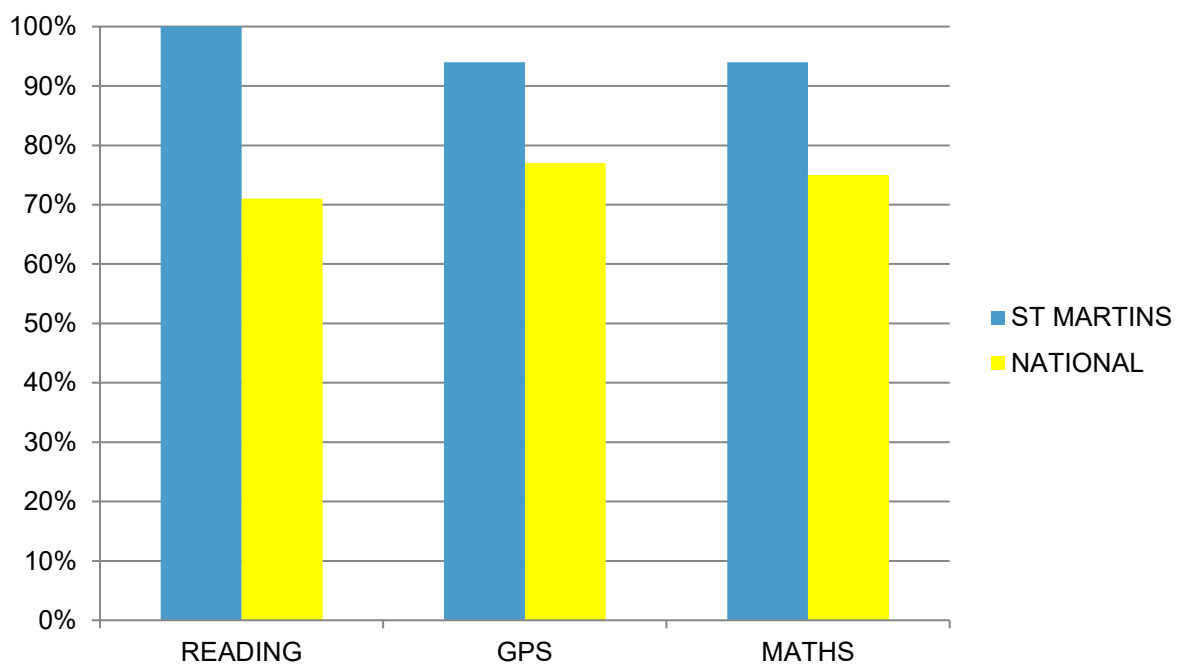

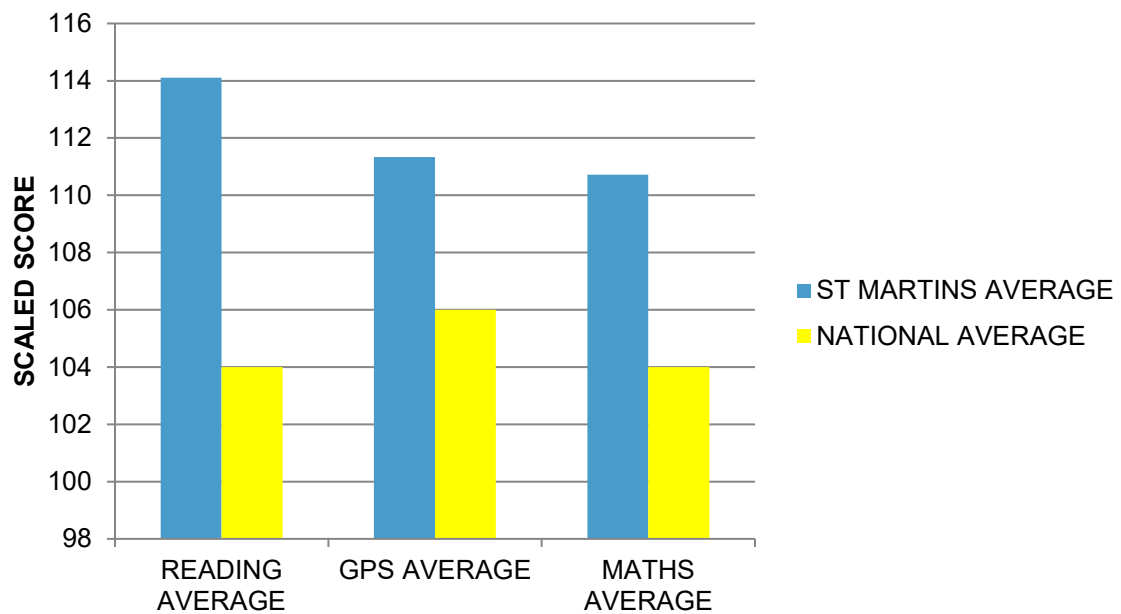

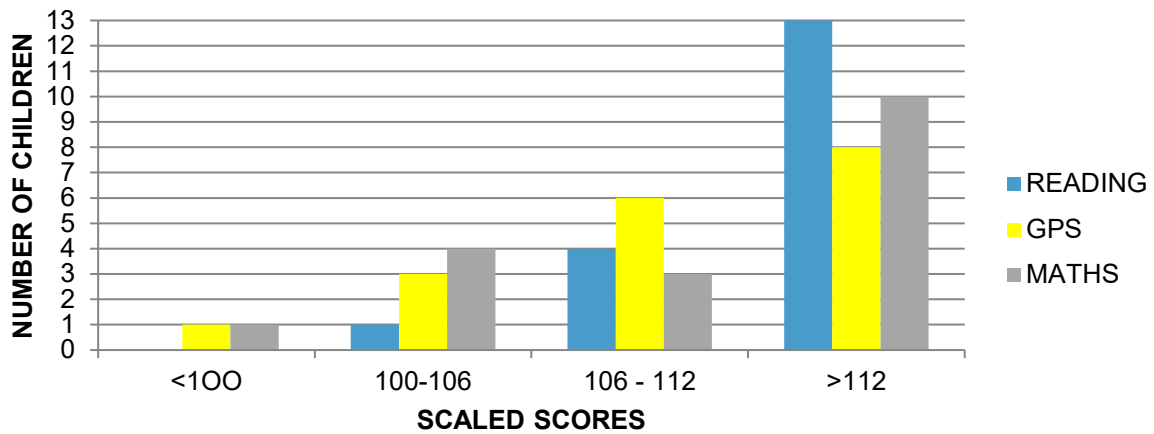

Children at St Martin's Prep School take part in the End of Key Stage 2 (Year 6) SATs. St Martin's is completely non-selective, which makes our academic success more pleasing.

Our results show excellent attainment across the core subjects: in 2016 we were the top performing school in North East Lincolnshire.

## 2016

# ST. MARTIN'S SATS RESULTS 2018

## ABOUT THE SATS EXAMS

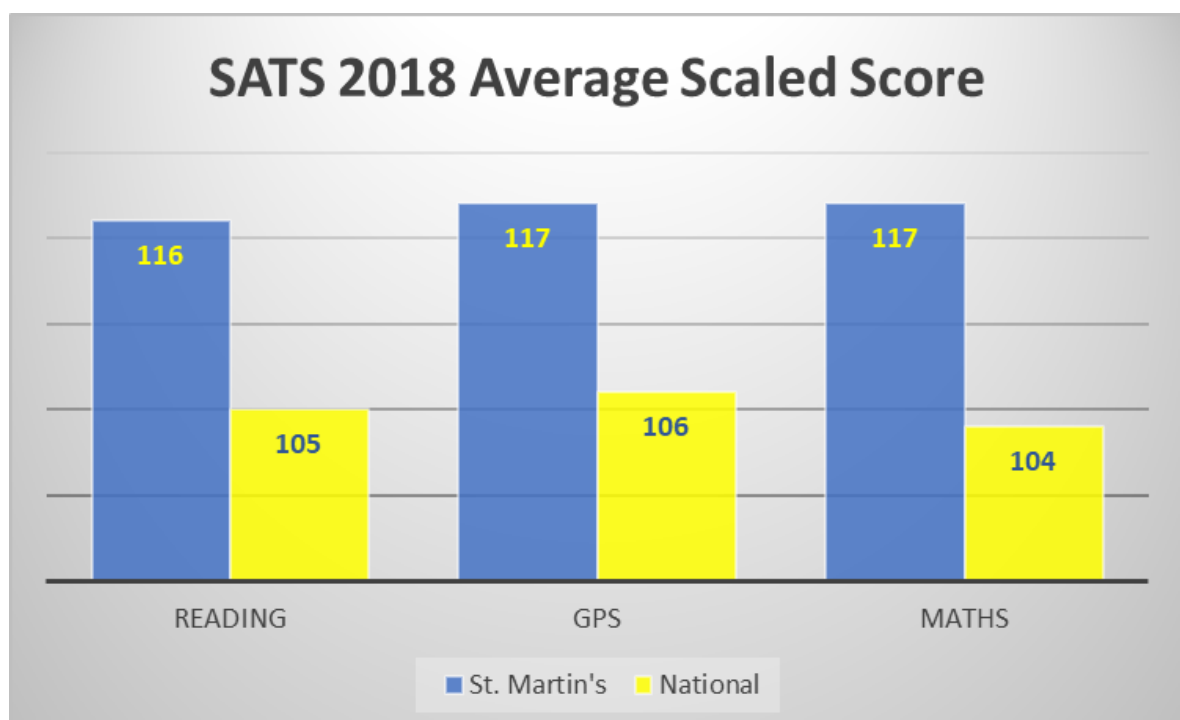

In May, across the country, over 600,000 10- and 11-year-olds sat the SATs examinations. The exams are designed to check individual pupils' and schools' attainment and progress in comparison with national data. The tests check pupils' understanding in Maths (Arithmetic and Reasoning), Reading and Grammar, Punctuation and Spelling (GPS).

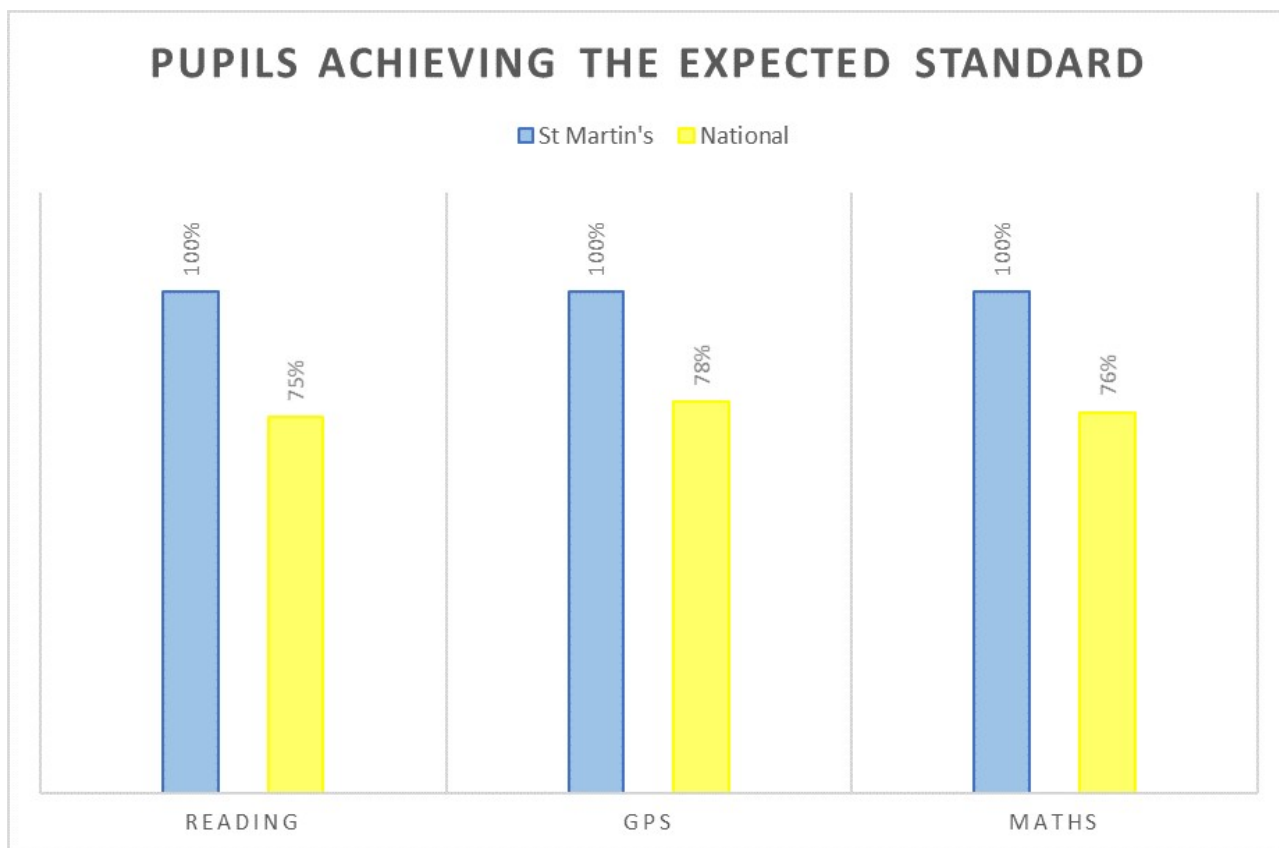

Pupils receive a scaled score between 80 and 120. Scores of 100 or above show a pupil has met the expected standard for the KS2 tests. Scores of 110 can be interpreted as 'working at a greater depth'.

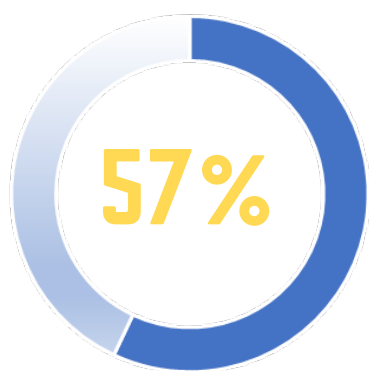

## ST. MARTIN'S PERFORMANCE 2018

We are incredibly proud of how hard our pupils have worked and the results that they have achieved. Our average scaled scores are **well above the National average** and **100% of our pupils achieved the expected standard** in Reading, GPS and Mathematics.

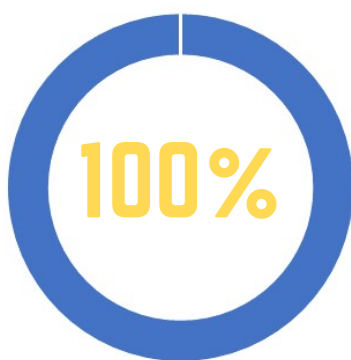

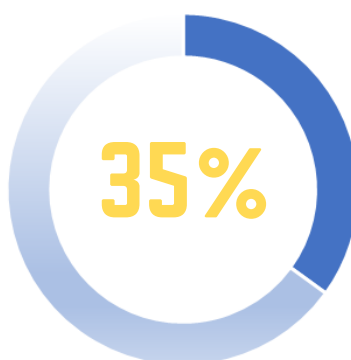

## NOTABLE STATISTICS

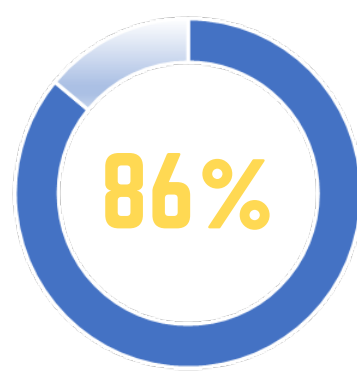

Achieved the maximum scaled score of 120 in at least one area

Achieved working at a Greater Depth in at least one area

Got full marks in all 3 Mathematics Papers

Achieved working at a Greater Depth in all 3 areas
